Garden (MYNC Remix)

Totally Enormous Extinct Dinosaurs

Looking over your shoulder girl,
Thinking you should have let me have it all.
If you're coming around again
Tell me how you feel cause I need to knowI could be your love again
If you just let me in.We don't have to work it out
Cause I already knowLooking over your shoulder girl,
Thinking you should have let me have it all.
If you're coming around again
Tell me how you feel cause I need to know
Looking over your shoulder girl,
Thinking you should have let me have it all.
If you're coming around again
Tell me how you feel cause I need to knowI could be your love again
If you just let me in.We don't have to work it out
Cause I already knowWalking in my silver blues,
Tracked the dust to you.
I believed inï»¿ something too.
One more life with you
Walking in my silver blues,
Tracked the dust to you.
I believed inï»¿ something too.
One more life with you
