Paranoia

Will Wilde

What's happened to you lately?
You know I've been wondering where you've gone
You stay high all the time now
You know I wonder where it all went wrong

You're blazing every morning
And you've been blazing every night
Your mind's so gone now
I wonder will you ever see the light

You say you just wanna chill out
But you know you haven't left the house for days
I believe you're 'bout to lose your mind
Sure 'nuff if you don't change your ways

(HARMONICA SOLO)

You get so paranoid
You must think the whole world's watching you
Sometimes I wonder
What in the world are you gonna do
