

# Interlude

## Kelly Rowland

I never thought that we would break up for the better  
Should've never made the promises to each other  
So many things I should've said that you didn't know  
Comin' in from a past with a heavy load But I knew that you were a good man  
Gave me love, you were faithful, it showed on my hand  
I know there are questions in your mind you don't understand  
Through the words of this song, I wanna answer them
