

Bottom of the Sea

Sean McConnell

Well the hardest part of livin'
Is knowin' you're gonna die
And tryin' to leave a legacy
With only so much time
Well I don't know about you
But I'm getting sick and tired
Of livin' on the surface
And in between the lines I'm goin' down
To the bottom of the sea
Until I've found
The deepest part of me
And if I drown
At least I'll know that I died free
Searching for my destiny without a doubt
I'm goin' down
I'm goin' down
So bring on all the monsters
That lie sleeping in the blue
I'll fight 'em all bare handed
Screaming I ain't scared of you
Cause there's nothing stronger than a heart
That's fighting for the truth
So hold your nose cannonball
Someone let me through I'm goin' down
To the bottom of the sea
Until I've found
The deepest part of me
And if I drown
At least I'll know that I died free
Searching for my destiny without a doubt
I'm goin' down
I'm goin' down
To the bottom of the sea
Until I've found
The deepest part of me
And if I drown
At least I'll know that I died free
Searching for my destiny without a doubt
I'm goin' down

To the bottom of the sea
Until I've found
The deepest part of me
And if I drown
At least I'll know that I died free
Searching for my destiny without a doubt
I'm goin' down
I'm goin' down
Yeah I'm goin' down
Oh I'm goin' down
