A Thousand Blue Bubbles

Johnny Mathis

One kiss
And a thousand blue bubbles
Turn me upside down
Send me to the skiesOne kiss
And a thousand blue bubbles
They go over me
And under me
And suddenly
I start to riseBiliblew a thousand bubbles?
Big and blue and shiny bubbles
Mixed with teeny tiny bubbles
Send me flying
When you kiss me
... so kiss me
Biliblew a bunch bubbles?
And a bunch of public bubbles?
And a daily flood of bubbles
Send me higher
Yet they never
Put out the fireCastles in Spain
Could not delight me more
Champagne rain
Could not ignite me
Or excite me moreBlew a thousand bubbles
Then a hundred thousand bubbles
Then a thousand thousand bubbles
I can feel them
I can see them
See them fly
[Orchestral Interlude)Biliblew a bunch of bubbles?
And a bunch of public bubbles?
And a daily flood of bubbles
Send me higher
Yet they never
Put out the fireI found some reason
'til it drops again
In the trees
My poor heart stops again
It pops againBlew a thousand bubbles

Then a hundred thousand bubbles
Then a thousand thousand bubbles
I can feel them
I can see them
See them flyingBiliblew a thousand bubblesBiliblew ten thousand bubbles
Biliblew a hundred thousand bubbles.... to fadeNOTE: Made up words: Biliblew (a sound made with one's lips).
Arguably: the word Blue / Blew maybe be switched depending on one's understanding of the song especially
With reference to the song's title
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
