

# Meant to Be

## Teen Beach Movie Karaoke

I believe we all have a soul mate  
The chance for a perfect duet  
I believe in hopeless devotion  
I just haven't found her yet

In mind i see  
The chick, who is meant for me  
She'll be someone who is lovely  
Someone wonderful and true

The kind of boy  
Who makes you smile  
Even when your feeling blue

And i know  
I know she's/he's out there  
Most definitely  
Oh yeah  
Not a phony or a fake  
Sweeter than a chocolate shake  
My meant to be

'cause when it's meant to be  
You go kind of crazy  
Meant to be  
You forget your name  
When it's meant to be  
It's destiny callin'  
And nothing ever will be the same!  
Oh yeah

You need a girl who's into music  
To run up high on cupid's wings!  
Find that boy with perfect hair  
Have a Hollywood ending with streams

Oh, I know, I know she's/he's out there  
Can't you see?  
Oh yeah!

Maybe you've already met,  
The one you'll never forget!  
Your meant to be!  
When it's meant to be!  
The stars seem to glisten!  
Meant to be!  
All the clouds depart

When it's meant to be!  
That's destiny calling!  
And if you listen  
You'll find your heart!

Four eyes meet  
And the meet is sweet  
But it need to something more  
What's the deal?  
When the way you feel  
Is something you'll never felt before!

Oh!  
Gee!  
Umm . . .  
Plan B?

When it's meant to be  
You go kinda crazy  
Meant to be  
You forget your name

When it's meant to be  
It's destiny callin'  
And nothing ever will be the same
