

I've Been in Love Before

Cutting Crew

Catch my breath, close my eyes
Don't believe a word
Things she said, overheard
Something wrong inside It's you and admit it
Then you know you're in it I've, I've been in love before
I've been in love before
The hardest part is when you're in it
I've been in love before
I've been in love before Just one touch, just one look
A dangerous dance
One small word can make me feel
Like running away You can't say you're in it
No, until you reach the limit I've been in love before
I've been in love before
The hardest part is when you're in it
I've been in love before
I've been in love before I've been in love before
I've been in love before
The hardest part is when you're in it
I've been in love before
I've been in love before I've been in love
The hardest part is when you're in it
I've been in love
I've been in love before
