

Best of Me

Sublime With Rome

You say that you should let it shine
But you're buried from the dark
Under the apostasy of love, ha
Worried for the darkness has seized me
Just take a look around
What an awful sight to see Waves crashing over me
Pumped up like amphetamine
Toxic like kerosene
But don't you get the best of me
(Na, na, na)
Say for the blood of mine
Silver bag's tryna find our lives
Wasted our time
To define all of what is right Waves crashing over me
Pumped up like amphetamine
Toxic like kerosene
But don't you get the best of me
(Na, na, na) Well it's true
You're the one I have left
A motherfucking thief
It's the church
Oooh, aaah
Waves crashing over me
Amped up like amphetamine
...(mumbled)
So don't you take the best of me
Ha ha ha ha
Don't you get the best of me
Ha ha ha ha
Don't you get the best of me
Of me, of me
