

How To Disappear Completely

Vitamin String Quartet

That there
That's not me
I go
Where I please I walk through walls
I float down the Liffey
I'm not here
This isn't happening
I'm not here
I'm not here In a little while
I'll be gone
The moment's already passed
Yeah it's gone
And I'm not here
This isn't happening
I'm not here
I'm not here Strobe lights and blown speakers
Fireworks and hurricanes
I'm not here
This isn't happening
I'm not here
I'm not here
