Huey Lewis & The News

Honey, stop your lyin'
You ain't gotta lie no more
Sugar, stop your cheatin'
You ain't gotta cheat no more
Cause I love the dirty things you do at night
It bears as it comes to the light
I can see clearly now Take off your mask baby
I can see right through your soul
What I see is a doggone thing
Don't know why I didn't see it before
You misused me for so long
Threw me love
Like you throw an old dog a bone
That's why the name of this song is Free
Glad I got over you
Say it again for the benefit of those who didn't hear
Said I'm free
Glad I got over you When you do me like you do me
Tell me what can a poor boy do
I will fall in love
Let it flow wherever it please
If you're trying to be a sweet angel in my room
But loving you I just couldn't see
You assumed that for so long
Threw me love
Like you throw an old dog a bone
Can't wait to stake
And you know that's wrong
Even a dog that gets tired
Wants to bury that bone Said I'm free
I'm over you
Said I'm free
I'm over you Sitting in a room alone
While the rain is falling
Sitting by the telephone
But you never, never calling Said I'm free
I'm over you
Said I'm free
I'm over you
