

Keep It On Going

[Amy Grant](#)

Someone's got to keep it on going
Just as long as there're folks who haven't heard
So you can count on me 'cause he's showin'
That there're so many ways to spread his word Don't you know that someone's got to keep it on going
Just as long as there're folks who haven't heard
So you can count on me 'cause he's showin'
That there're so many ways to spread his word Don't you know that someone's got to keep it on going
Just as long as there're folks who haven't heard
So you can count on me 'cause he's showin'
That there're so many ways to spread his word Got to listen to me someone's got to keep it on going
Just as long as there're folks who haven't heard
So you can count on me 'cause he's showin'
That there're so many ways to spread his word
