

# Lost

## Bruno Mars

Damn...  
It's getting hard to breathe  
I'm trying to make her see,  
That she don't really know  
That I'm trying to find a way,  
And tell her every day, that she just goes along  
So I...  
I don't wanna be,  
The only one that knows  
That somebody could come along and just  
Take her right from me  
I'm standing shaking ground,  
And I've been thinking that I'm gonna lose it, Chorus:  
Cause I'm losing my head,  
I'm losing my mind,  
I'm losing control of myself this time.  
She's got me losing my head,  
I'm losing my mind,  
I'm losing my way,  
But I think she feels I'm already lost. I'm already lost. I wish that I could see,  
What is making you  
Feel that you should be concerned.  
My love is like a gunshot  
All it takes is one shot for me to blow it all away.  
I don't wanna feel like I'm just wasting time,  
It's gotta be with you and no one else.  
Do you notice me,  
I need to know right now  
Cause I've been thinking that I'm gonna lose it, Chorus:  
Cause I'm losing my head,  
I'm losing my mind,  
I'm losing control of myself this time.  
She's got me losing my head,  
I'm losing my mind,  
I'm losing my way,  
But I think she feels I'm already lost. Maybe I'm trying too hard  
But girl you make me nervous,  
By now you should have noticed me.  
And what will it take it

To a heavenly because your  
drawing chains and  
driving me insane!Chorus:  
Girl,I'm losing my head,  
I'm losing my mind,  
I'm losing control of myself this time.  
She's got me losing my head,  
I'm losing my mind,  
I'm losing my way,  
But I think she feels I'm already lost.
