Big Man With A Gun

Nine Inch Nails

i am a big man
(yes i am)
and i have a big gun
got me a big old dick and i
i like to have fun
held against your forehead
i'll make you suck it
maybe i'll put a hole in your head
you know just for the fuck of it
i can reduce you if i want

i can devour
i'm hard as fucking steel and i've got the power
i'm every inch a man and i'll show you somehow
me and my fucking gun
nothing can stop me now
shoot shoot shoot shoot shoot
i'm going to come all over you
me and my fucking gun
me and my fucking gun
