

Bonnie

Supertramp

Your silver nights and golden days
I try to reach you in a million ways
Im crazy bout you bonnie
Can you tell? Your diamond rings and fancy clothes
Do I want you babe, well heaven knows
Im wild about you bonnie
Cant you see, hey bonnie Ive loved you oh so long
I know wed get along
Hey bonnie will you ever notice me Yes I know you oh so well
Just one look and I fell
Please tell me that our love will always be Ive seen your films and all your plays
I read about you every single day
Id like to get my lovin arms round you From rags to which youve got it made
How does it feel to be a famous name
Well bonnie can you do the same for me
Oh bonnie I feel you in my soul
To love you is my role
Oh bonnie youre the only one for me Yes I got my fortune read
And heres what the gypsy said
That well live and love and share eternity Bonnie please be nice
Well find paradise
Beneath the golden skies Bonnie youre good
Make me if you could
The toast of hollywood Ill give you all my love
Well really live it up
Beneath the stars above Your silver nights and golden days
I try to reach you in a million ways
Im crazy bout you bonnie
Can you tell
