

# Where Are You Now (feat. Wiley)

Lady Leshurr

Hey, hey, there's so many people that have left the scene

Max it, man

And I can't see them anymore

Where are ya, where are you now? Where, can't see you anywhere (nah)

Rude girl, stay over there (stay)

Or I'll put you back like hair (scrape 'em back)

Yeah, you are not quite there (nah)

Oh wow, it's unfair

You'll get air, when I'm in the building, you come out

When I'm onstage, it gets shut down

When I walk in you best look down

Fire alie, gets bun down

Everyone knows I'm the talk of the town

Everyone know when I'm walking in town

Oh my gosh, is that Lesha?

Make them fall to the ground, wow Where are you now? (where?) 'cause I can't see ya (I can't see ya)

Where are you now? (where?) I wouldn't wanna be ya (I wouldn't wanna be ya)

I be like where are you now? (where?) 'cause I can't see ya (I can't see ya)

Where are you now? (where?) I wouldn't wanna be ya (where?) Where are you now, where are you now?  
(where?)

Where are you now, where are you now? (where?)

Where are you now, where are you now? (where?)

I said where are you now, where are you now? Where are ya, kid?

I'm like wait, where are you, kid?

You fell off, now your arm is ripped

Attention, army ting

Thought you was on top

Then you just flopped

You thought you was gonna blow up

You was gassed, got popped, look, you're so late (so late) with it

I said you're so late with it

I'm on top and you're hating it

And you look like eighty-six years old

I get paid to spit

Heard your stuff, ain't rating it

Wait, hmm, your boyfriend was staring me down

Now he's on my phone like "where are you now?" Where are you now? 'cause I can't see ya (I can't see ya)

Where are you now? I wouldn't wanna be ya (I wouldn't wanna be ya)

I be like where are you now? 'cause I can't see ya (I can't see ya)

Where are you now? I wouldn't wanna be ya (where?)Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)Where are you now, 'cause any time I speak, that's news  
See man on the six o'clock news  
I've got choices, so I can choose  
I've got a shop and we sell sports shoes  
And I'm in control when man cruise  
My DJ on the ones and twos  
Ain't from the 6, but I still got views  
Any time I speak, that's news  
Any time I speak, that's doo-doo-doo-dadada  
Any time I speak, that's tiger, tiger  
Done with the shoulda- coulda, doo-doo-doo-dadada

Doing this ting since MC Creepin'  
Doing this ting ever since Pied Piper  
And I know Mandem in jail doing five, doing tens, doing fifteens and I know lifersWhere are you now? (where)  
'cause I can't see ya (I can't see ya)  
Where are you now? I wouldn't wanna be ya (I wouldn't wanna be ya)  
Where are you now? 'cause I can't see ya (I can't see ya)  
Where are you now?  
I wouldn't wanna be ya (where?)Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)  
Where are you now, where are you now? (where?)I mean  
Where are ya, man? (where)  
You was on top of your game, son (hmm)  
Now I can't even see ya (can't see you, though)  
You fell off, you have  
Where are you now?
