

# Rough Sleeper (Ollie Macfarlane Remix)

## Burial

You  
I want to know, now  
If we didn't need  
Would I know? Couldn't love  
Shine  
I want to know, now Couldn't know  
Just...  
Couldn't know  
But... You  
I want to know, now  
If we didn't need  
Would I know?  
Couldn't love  
Shine  
I want to know, now  
Now  
Now Stay  
Forever  
Light  
Be strong  
You stay Till the start  
You stay Just  
Light surrounding you  
Be strong  
You stay  
Hey!  
Be strong  
You stay Stay alive  
Stay alive  
You stay Just  
Light surrounding you  
Be strong  
You stay  
Hey! Be strong  
You stay Be strong  
You stay  
Hey!
