

Outlaw (Phunk Phorce mix)

Olive

[Verse 1]

Two faces

Playing with my trust in you

You cover all your traces

And watch me relax with you

Insidious

Creep away and do your deal

Return what you think is you

It couldn't be further from the truth[Bridge:]

(So) cruel,

Keeping this a secret

Fool, you surely are

It's so You,

Blind to all the damage done

You go too farChorus:

Couldn't you have told me before

I would have loved you, So much more

Couldn't you have told me before

Feeling like an outlawVerse 2

So you got some

You brought another person

Uncanny how he looks like you

Except there is too much he cannot do

It's not the problem

But the way you shut your mouth was real low

My reputation tainted

I will not accept being the last to know
