Ooh
This one's going out to our delicate little 13-year-old flower
Welcome to womanhoodStrolling in the park
Watching winter turn to spring
Walking in the dark
Seeing lovers do their thing
yeahThat's the time
I feel like making love to you
Scooby do do do do
That's the time
I feel like making
Dreams come true, oh babyWhen you talk to me
When you're moaning sweet and low
ooh ooh
When you're touching me
And my feelings start to show
It grows, we all know, dont you know
That's the time
I feel like making love to you
Scooby do do do do
That's the time
I feel like making dignity dreams come true
oh babyIn a restaurant
Holding hands by candlelight
While I'm freaking touching you
Wanting you with all my might
Is that all right cause
That's the time
I feel like making L-O-V-E-T-O-Y-O-U
Scooby do do do do
That's the time
I feel like making dignity dreams, dignity dreams come true

Oh baby
In a restaurant
In a sushi bar
In a high school bus
In the back of your mama's car
On a trampoline
In the middle of a putting green
Any where, near or far
Right here at this bar-mitzfa
That the time
I feel like making L-O-V-E-T-O-Y-O-U
That's the time
I feel like making dignity dreams oh oh come true
