

Take It All In

Group 1 Crew

I take for granted every moment
Clock in, clock out I miss the small things, should be recording
Right here, right now And I see it all for what it is
This is my one chance to live Take it all in (take it in, take it in)
Take it all in (take it in, take it all in)
Breathe in the moments that take your breath away
Taste and see everything the Maker's made
Take it all in Wake up, you sleeper, your life's a feature
On a screen right now
The world is watching, they're in the front row
Here's your chance, take it now
Do you see it all for what it is
This is your one chance to live Take it all in (take it in, take it in)
Take it all in (take it in, take it all in)
Breathe in the moments that take your breath away
Taste and see everything the Maker's made
Take it all in Take it all in, take it all in
Hope in the grace that he so freely gives
Every sunrise, every new day is a gift (Take it all in, take it all in)
Don't take it for granted (Hope in the grace that he so freely gives)
Every hard time, every heart break (Take it all in, take it all in)
Is another chance to walk by faith (Hope in the grace that he so freely gives)
When you feel lost at the bottom (Take it all in, take it all in)
Maybe down, but you're not forgotten (Hope in the grace that he so freely gives)
Breathe in the moments that take your breath away
Taste and see everything the Maker's made
Take it all in, take it all in
Hope in the grace that he so freely gives
Take it all in, take it all in
Hope in the grace that he so freely gives
Take it all in, take it all in
Hope in the grace that he so freely gives
Take it all in, take it all in
Hope in the grace that he so freely gives
Take it all in
Take it all in
