

Gemini Heart

Layla Zoe

You just keep talkin to me like you really care.
Oh but I can see you baby kissin long brown hair.
Why do ya hurt me so?
Oh don't you know that I love you.
Yes I do. You come around when it's convenient for you, on those days she's not around and you're feeling so
blue.
Then you tell me, oh that you'll always be my friend. Can't you see that you're tearin, tearin, tearin me apart.
I know you're lying to me and it breaks my heart.
Oh Lord and I am weak ask myself that everyday.
because I'm just a strong, sensitive, strong kind o woman with a gemini heart.
Im just so tired of playin with you.
Dont you know I want you and you want me too.
Why do you hurt me so?
Don't you know.
Why do you hurte so dont you know.
that I love you.
