

Lover Of The Light

Mumford & Sons

And in the middle of the night
I may watch you go
There'll be no value in the strength
of walls that I have grown
There'll be no comfort in the shade
of the shadows thrown
But I'd be yours if you'd be mine
Stretch out my life
and pick the seams out
Take what you like
but close my ears and eyes
Watch me stumble over and over
I had done wrong
you built your tower
But call me home
and I will build a throne
And wash my eyes out never again
But love the one you hold
And I'll be your gold
To have and to hold
A lover of the light
Skin too tight
and eyes like marbles
You spin me high
so watch me as I glide
Before I tumble homeward, homeward

I know I've tried
I was not stable
And flawed by pride
I miss my sanguine eyes
So hold my hands up -- breathe in, and breathe out
So love the one you hold
And I'll be your gold
To have and to hold
A lover of the light
And in the middle of the night
I may watch you go
There'll be no value in the strength

of walls that I have grown
There'll be no comfort in the shade
of the shadows thrown
You may not trust the promises
of the change I'll show
But I'd be yours if you'd be mine
So love the one you hold
And I will be your gold
To have and to hold
A lover of the light
So love the one you hold
And I will be your gold
To have and to hold
A lover of the light
