

Faraway Vol. 2 (feat. Linda and Dave Lombardo)

Apocalyptica

There is something in the way
You are always somewhere else
Feelings have deserted me to a point of no return
I don't believe in Gods but I pray for you Don't you slip away from me
It's you I live for, don't you leave, no
Don't you slip away from me
I'm vulnerable to your love There is something in the way
You're always somewhere else
Feelings have deserted me to a point of no return
So the light fades out at you, so close to lose it Don't you slip away from me
It's you I live for, don't you leave, no
Don't you slip away from me
I'm vulnerable to your love
