Tightrope

Oleander

Advisory - the following lyrics contain explicit language:

Can't find yourself
If you're lost in a crowd
Can't hear advice
If you're screaming out loud
For someone please listen to meCan't figure out
What you don't understand
Can't realize
What you don't comprehend
But it's always
Been plain to seeBut if you run
Too far away
Oh, if you run
Don't be afraidIt's just a tightrope
Walker on fire
Razor blade wire
It's a high hope
That you acquire
It's a tightrope
Razor blade wireCan't say hello
If you're never around
Can't pace yourself
If you never slow down
'Cause your always
Running full speedCan't take too much
If you don't let them in
Can't feel the touch
Of a life within
If you're alwaysFulfilling the needBut if you run
Too far away
Oh if you run
Don't be afraidIt's just a tightrope
Walker on fire

It's a tightrope
Razor blade wireIt's a high hope
That you acquire
It's a tightrope
Of razor blade wireOh, if you run
Too far away
Oh, if you run
Don't be afraidIt's just a tightrope
Walker on fire
It's a tightrope
Razor blade wireIt's a high hope
That you acquire
It's a tightrope
Of razor blade wire
