

# Ceremonial Gasmask

## Agoraphobic Nosebleed

Concussion doesn't sideline, but recharges  
Now you're in a world of shit  
Listen to the night as it hovers overhead  
Can you hear it laughing? Draw the joker card  
How did that get back in the deck?  
Scowl mask removed from back pocket  
The tighter the fit, the better  
The tighter the fit, the better
