

Bootie Call (Krazee Alley Mix)

All Saints

Bring it on, bring it bring it on now
Bring it on, bring it bring it on now Never stop givin good love 'cause that's what I call you for
Never stop baby give it up
'Cause I know where it came from you got more
I like playing games, and if it's all the same
You can bring it on with the ruff stuff
Give me your love I don't want to be tammed I need a man to be a real man In order of what I got in store
Always finish what you start baby
And always having me beg for more
You know I want to be a diggy down boy
But I don't get around
Jimmy has to ride in your pocket
Or lock him in your wallet
It's just a bootie Call Bring it on, bring it bring it on now (It's bootie call)
Bring it on, bring it bring it on now (It's just a bootie call)
Bring it on, bring it bring it on now (It's a bootie call)
Bring it on, bring it bring it on now Gaining you what is baby Things are always good to have
You never let me down
I'm always happy, when you made me laugh
But Don't try to find, this Heart of mine
Emotions will come into my head, so don't be mislead
My heart doesn't need to be fed Only tryin' to be smart baby, don't need the rollercoaster ride
I've been and seen it all yeah yeah
Don't want you messing with my mind
So don't be a fool, keep this as your number one rule
Good lovins not always from the heart, you gotta be smart Stay just the way you are (a bootie call)
It's just a bootie call (It's a bootie call)
It's just a bootie call
Bring it on, bring it bring it on (It's bootie call)
Bring it on, bring it bring it on (It's just a bootie call)
Bring it on, bring it bring it on (It's a bootie call)
It's just a bootie call Do you really love me baby It's a bootie call It's a bootie call It's a bootie
It's a bootie call It's a bootie call It's a bootie call It's a bootie
