Today is a very important day  
It's the day when I give  
my second confession to one girl  
I am going to find her once again  
Will she accept my heart?  
I feel good today for some reason

I threw away all my pride for this second confession  
Though I have so much to say, I'll keep it short  
I will change and improve so from today and every day on  
I want to have a great love like Kyun Woo and Jik Nyu

For you, I stay cooped up  
in my room, practicing my confession  
I practice singing so I serenade you  
Even if you fall, get up again,  
don't worry, have courage  
I write an awkward letter  
and buy a big bear doll

The times we used to love,  
those dream-like times  
I can't forget any of those times

All day, I only think of you,  
I stayed up all night again girl  
My heart feels frustrated on this sleepless night

How are you? I guess you're okay,  
day by day, I am drenched  
with your memories so it's hard  
If you will come back some day,  
there won't be any tears, my second confession

I want you back baby I swear it's true  
Won't ever make you jealous,

Iâ€™ll make them jealous of you  
Come back to me, for eternity  
And take a listen to my 2nd confession please

You and me, now weâ€™re facing  
each other from across the street  
What to do? It feels like my heart will explode  
Someone please send my love  
through Cupidâ€™s arrow to her, save me  
Oh! Itâ€™s green light!

Can those times come back?  
Will you be able to be with me again?  
The restaurant on Garusu Street,  
breakfast at Nonhyun-dong  
I want to taste that alleyway kiss once more

All the hard times are all days  
I regret the more time passes  
I want to turn back all of those days

All day, I only think of you,  
I stayed up all night again girl  
How about you? I want to go back to you

How are you? I guess youâ€™re okay,  
day by day, I am drenched  
with your memories so itâ€™s hard  
If you will come back some day,  
there wonâ€™t be any tears, my second confession

Iâ€™m not afraid of other peopleâ€™s eyes, second confession  
A serenade for you, second confession

Throwing away my pride  
to ask you to come back  
Iâ€™ll be your shoulder strap  
and you can be my backpack

I want to go back to those times  
but why donâ€™t you know my heart?  
If you will come back some day,  
there wonâ€™t be any tears

How are you? I guess youâ€™re okay,  
day by day, I am drenched

with your memories so it's hard  
If you will come back some day,  
there won't be any tears,  
my second confession
