Look for the Silver Lining

Jane Monheit

Look for the silver lining
Whenever a cloud appears in the blue
Remember somewhere the sun is shining
And so the right thing to do is make it shine for youA heart full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of lifeLook for the silver lining
Whenever a cloud appears in the blue
Remember somewhere the sun is shining
And so the right thing to do is make it shine for youA heart full of joy and gladness
Will always banish sadness and strife
So always look for the silver lining
And try to find the sunny side of life
