The Cross

Within Temptation

Nothing's ever changed, you still turn away
You've washed your hands, you've made that all too clear
You just keep on living this lieYou refuse to see, you're denying me
The cross I bear but you don't seem to care
Even Judas knew he had liedI keep wondering why
I'm still calling your name through my tearsWhy have you waited to embrace me, my dear?
Cold is your silence, denying what is real

I'm still wondering why

I'm still calling your name, my dearI'm sorry if you can't stand the naked truth
All you see is how you want it to be

So you keep on living your lifeRelease me from this cross after all these years Oh, call my name and help me with this weight

Even though it comes far too lateI keep wondering why

I'm still calling your name through my tearsWhy have you waited to embrace me, my dear?

Cold is your silence, denying what is real

I'm still wondering why I'm still calling your name

And I wonder, oh I wonderIn my heart I still hope you will open the door You can purify it all, answer my callWhy? Why?Why have you waited to embrace me, my dear?

Cold is your silence, denying what is real

I'm still wondering why I'm still calling your name
And I wonder, oh I wonderIn my heart, I still hope you will open the door
You can purify it all, answer my call
