## **Do Anything You Want To**

## **Thin Lizzy**

There are people that will investigate you They'll insinuate, intimidate and complicate you Don't ever wait or hesitate to state the fate that awaits Those who try to shake or take you Don't let them break youYou can do anything you want to do It's not wrong, what I sing is true You can do anything you want to do Do what you want to People that despise you will analyze then criticize you They'll scandalize and tell lies until they realize You are somebody they should have apologized to Don't let these people compromise you Be wise too You can do anything you want to do It's not wrong, what I sing is true You can do anything you want to do Do what you want to Hey you, you're not their puppet on a string You can do everything It's true if you really want to You can do anything you wantJust like I doYou can do anything you want to do It's not wrong, what I sing is true You can do anything you want to do Do what you wantHey you No, can do Hey you
