

# Solitaire(Onrust Mix)

## The Notwist

We're more than overwhelmed  
By hundreds of hugs  
And a million good words  
We are satisfied  
From Monday til Friday  
And on Sunday we cry But we like it  
From that point of view  
So we stay here  
And bare until dawn everyday  
And we stay here and bare every day We never ever lied.  
From ten in the morning  
We are honest til nine.  
We are overcute.  
We never will manage  
To be rude only twice. But we like it from  
That point of view.  
We stay here  
And bare until dawn everyday.  
And we want stay here  
And bare everyday
