

Forever

Andy Grammer

Whoa oh oh oh oh oh oh whoa oh oh whoa oh oh
Whoa oh oh oh oh oh oh whoa oh oh whoa oh oh It's amazing the time that it's taking for you to come out here
I don't know what you do in there
Only so many ways you can change how light will hit your face
Or how you can fix your hair
You only got two eyes, two lips so why
It shouldn't really take long at all
But when you finally smile, 'cause it's just right
Damn, you look beautiful You take forever, ever, ever, ever, hm
But you're always worth waiting for
You take forever, ever, ever, ever, hm
I guess I'll wait a little more
Now I know it's time I realize I'mma be waiting half my life, yeah
With my back up against the door
'Cause you take forever, ever, ever, ever, ever ever ever
But you're always worth waiting for And you lie through your teeth
When you try to convince me that you'll be
That you'll be out in less than five
Because we both know that the only way that you will ever leave
Is if we set the whole place on fire You already said you had the perfect dress
So why you gotta try more
No matter how late it gets I must confess
Damn you look beautiful You take forever, ever, ever, ever, hm
But you're always worth waiting for
You take forever, ever, ever, ever, oh yeah
I guess I'll wait a little more
Now I know it's time I realize I'mma be spending half my life, yeah
With my back up against the door
'Cause you take forever, ever, ever, ever, ever ever ever
But you're always worth waiting for You take forever, ever, ever, ever
I guess I'll wait a little more
Now now now whoa oh oh oh oh oh oh whoa oh whoa oh oh oh, yeah
Whoa oh whoa oh oh oh oh oh oh oh oh oh oh oh
I guess I'll wait a little more
