

# Silver and Gold

## Pries

It's moses of the pharaos  
I'm a fire with no pitcher  
Coming to America that better let me soak up  
Things I can't be running, things I swear we barely try  
so make me plug diamonds  
And you still can't find no type  
They got my people in prisonns  
No body in school, I just baught a chain  
I'mma smal to him too  
If was money of your pussy I guess youe pussy will lose  
Cuz this time I got nothing and if I snooze then I lose  
Get some crap for the nigga but I'm alone in this room  
We can jump to conclusion as long as this not a groome  
They yellin please, say the man, plase let to me  
Ya'll niggas wait to long so you didn't understand  
It's the hardly you could ball, it's the place I can land  
It's that sunny ...service now watch it play dance  
Money it's a food of the evil  
Way this chains make my freedom?  
Say more mone, more problems, problems  
But if I got a dollar I could serve Ñ©m, serve 'emSilver and gold, silver and gold, silver and gold  
Silver and gold, silver and gold, silver and gold  
Silver and gold, silver and gold, silver and goldYou hope a .pelase forgive Ñ©m for their blindnees  
Sometime they use your wikness as your kindness  
I'm not bang not even for yout highness  
Cuz only fall in love, you freaky ...  
I was nineteen sleeping with the lions  
No fear for no failing, barely trying  
Hands shaking they only said to climbest  
.so they mees with all the lions  
They see my mama smile, that only thing I left on  
They drive for me and my dolars ain't of this will left  
Excuse me pussy, see you it's really a fact that you see a green of passion  
So I'm sniching past you  
Money it's a food of the evil  
Way this chains make my freedom?  
Say more mone, more problems, problems  
But if I got a dollar I could serve Ñ©m, serve 'emSilver and gold, silver and gold, silver and gold  
Silver and gold, silver and gold, silver and gold

Silver and gold, silver and gold, silver and gold  
I don't want it if you don't play with Ñ©m  
Hell all the ...get some money and the pay nigga  
They said, they say, they say  
Fuck what thet saying yeah we getting money bitch  
I don't want it if you don't play with Ñ©m  
Hell all the ...get some money and the pay nigga  
They said, they say, they say  
Fuck what thet saying yeah we getting money bitch  
Money it's a food of the evil  
Way this chains make my freedom?  
Say more mone, more problems, problems  
But if I got a dollar I could serve 'em, serve 'em  
Silver and gold, silver and gold, silver and gold  
Silver and gold, silver and gold, silver and gold
