Pass Me By - Radio Disney Version

R5

Remember that trip we took in Mexico?
Yeah, hanging with the boys and all your seÃ±oritas
I never spoke up, yeah, I never said hello
But I keep on trying to find a way to meet ya
Yeah

I was chillin', you were with him
Hooked up by the fire
Now he's long gone
I'm like, "So long"
Now I got my chance
Now I, now I got my chance

Like damn
You could be the one that could mess me up
You could be the one that'll break me
Damn
All them other girls said they had enough
You could be the one that'll take me
I was solo, living YOLO
'Til you blew my mind

Like damn
You can be the one that could mess me up
I can't let you
Can't let you pass me by
Oh oh, oh oh, oh oh
I can't let you pass me by
Oh oh, oh oh, oh oh
I can't let you pass me by

I was trying to play too cool to get caught up
Like too fun, too young to fall to pieces
I know a girl like you can't ever get enough
So I'm addicted, trippin', trying to get you to see this

The way I need you, like I'm seen through
Dancing out my pants
Got you shooking, caught you looking
Now I got my chance

Now I, now I got my chance

Like damn
You could be the one that could mess me up
You could be the one that'll break me
Damn
All them other girls said they had enough
You could be the one that'll take me
I was solo, living YOLO
'Til you blew my mind

Like damn
You could be the one that can mess me up
I can't let you, can't let you pass me by
Oh oh, oh oh, oh oh
I can't let you pass me by
Oh oh, oh oh, oh oh
I can't let you pass me by

It's like
Everywhere I look and everywhere I go
A million other guys be staring and I know that
I can be yours and you can be mine
I just can't let you pass me by by by

Everywhere I look and everywhere I go
A million other guys be staring and I know that
I can be yours and you can be mine
I just can't let you pass me by by by

Like damn
You could be the one that could mess me up
You could be the one that'll break me
Damn
All them other girls said they had enough
You could be the one that'll take me
I was solo, living YOLO
'Til you blew my mind
('Til you blew my mind)

Like damn
You could be the one that can mess me up
I can't let you, can't let you pass me by
Oh oh, oh oh, oh oh
I can't let you pass me by
Oh oh, oh oh, oh oh

I can't let you pass me by
Oh oh, oh oh, oh oh
(Yeah girl)
I can't let you pass me by
Oh oh, oh oh, oh oh
(Can't let you go)
Yeah, I can't let you pass me by
