

Here To Stay

Korn

This time I'm taking it away, I've got a problem

When they get it in the way, not by my side

So I'll take my face and bash it into a mirror

I won't have to see the painThis pain is elevating, as the hurt turns into hating

Anticipating all the fucked up feelings againMy hurt inside is fading

This shit's gone way too far

All this time I've been waiting

Oh I cannot grieve anymore

For what's inside awaking

I'm not, I'm not a whore

You've taken everything and

Oh I cannot give anymoreMy mind's done with this

Okay, I've got a question

Can I throw it all away?

Take back what's mine

So I'll take my time

Driving humbly down the line

Each cut, closer to the veinThis pain is elevating, as the hurt turns into hating

Anticipating all the fucked up feelings againThe hurt inside is fading

This shit's gone way too far

All this time I've been waiting

Oh, I cannot grieve anymore

For what's inside awaking

I'm not, I'm not a whore

You've taken everything and

Oh I cannot give anymoreI'm here to stay (bring it down)

Bring it down !

Gonna bring it down

Gonna break it down

Gonna break itThis pain is elevating, as the hurt turns into hating

Anticipating all the fucked up feelings againMy hurt inside is fading

This shit's gone way too far

All this time I've been waiting

Oh, I cannot grieve anymore

For what's inside awaking

I'm not, I'm not a whore

You've taken everything and

Oh I cannot give anymoreGive anymore
