You're Mine

Phantogram

You don't talk to no one,
don't you look at nothing.
Focus on me look in to my e-e-e-eyes
Come a little closer let me tell you something
Eat your ego honey, swallow your pri-i-i-ideYou don't talk to no one,
don't you look at nothing.
Focus on me look in to my e-e-e-eyes.
Come a little closer let me tell you something
You ain't going anywhere...'Cause you're mine.
'Cause you're mine!
'Cause you're mine
'Cause you're mine!I used to be a rival,
Yeah I had my distance,
Whistling like a bullet in the sky-y-y-y.I used to be a psycho
Yeah I had my demons,
Crawling like a spider up my spi-i-i-ine.I spotted you the second you walked in the building,
I knew that you had let me get you hi-i-i-ighI wanna hear the things you say when no-one's listening
But that don't matter anyway...'Cause you're mine.
'Cause you're mine!
'Cause you're mine.
'Cause you're mine!No-one's gonna love you
No-one's gonna touch you
No-ones gonna look at you the way that I do
No one's gonna save you
Use you up and break you
I'm the one who plagues you every night
'Cause you're mine.
'Cause you're mine!
'Cause you're mine.
'Cause you're mine!
'Cause you're mine.
'Cause you're mine!
'Cause you're mine.
(No one's gonna love you)
(No one's gonna touch you)
'Cause you're mine!You don't talk to no one don't you look at nothing.
