

# The Big L.

## Roxette

She's the top, she's got the world on a string  
She makes me boogie, makes me do anything, yeah, yeah  
Hey now, touch the sky  
You've got a certain kind of look in your eyes Well, she's a miracle, she's all that I need  
Like the water and the air that I breathe, yeah, yeah  
Hey now, reach the sky  
There's a certain kind of look in your smile And I know what love can do  
Yes, I know what hearts can do The big love is taking the wheel  
The big love goes head over heels  
The big lust, bring it into the small world  
The bigger, the better Big love, waiting to catch the big one  
Head over heels, the big one  
Bring it into the small world  
I'm building the big, big love  
I'm building the big, big love It's kinda strange, a bit mysterious  
I gotta take it oh so so serious  
Hey now, touch the sky  
You've got a certain kind of look in your eyes It used to be so hard so lonely at night  
Well, she's my baby and I'm feeling alright  
Hey now, move the sky  
There's a certain kind of look in that smile When I'm making love with her  
When I'm making love to her, yeah The big love is taking the wheel  
The big love goes head over heels  
The big lust, bring it into the small world  
The bigger, the better Big love, waiting to catch the big one  
Head over heels, the big one  
Bring it into the small world  
I'm building the big, big love, yeah  
I'm building the big, big love It has to be a big thing  
It's bringing me to my knees  
Has to be a big thing, big thing  
You know what I'm saying The big love is taking the wheel  
The big love goes head over heels  
The big lust, bring it into the small world  
The bigger, the better Big love, waiting to catch the big one  
Head over heels, the big one  
Bring it into the small world  
I'm building the big, big love  
You know, I'm building the big, big love Big love, building the big love

Big love, big love, big love  
Big love, big love, big love
