Scientist

Supermax

In me the scientist,
Always stuck on, always trying this.
I try to live on science alone.
Analysis and freaky sensitivity,
We've gotta live on science alone.

Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
We've gotta live on science alone.

Religiously, I'm speaking on the science, 'cause
We've gotta live on science alone.
I'll tell you what, Mathematically I'm having it.
I wanna live on science alone.

Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
We've gotta live on science alone.

In me the scientist,
Always stuck on, always trying this.
I try to live on science alone.
Analysis and freaky sensitivity,
We've gotta live on science alone.

Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
Cause I could live on science alone.
We've gotta live on science alone.

Yeah, uh, I am a scientist.

Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
Yeah, uh, I am a scientist.
