

# Somewhere to Run (Lost Kings Nu Disco Remix)

## Krewella

I'm.. hearing the voices in my head  
Tellin' me i should just pretend  
But how can i sit around  
And swallow all the bullshit  
While i'm choking, i just need  
Somewhere to run  
I give up, dont give a fuck  
Somewhere to run  
I'm so sick, but i cant quit  
I'm sayin' ou-hoo  
Another day, another night i'm getting thru-uu  
I just want, i just want  
Somewhere to run  
Somewhere to run  
Somewhere to run  
Somewhere to run (run-run-run)  
Say.. hello to the finger in your face  
If you're telling me how i should behave  
Cause you keep on walking while the leash around your neck has got you choking i just need somewhere to run  
I give up, don't give a fuck  
Somewhere to run  
I'm so sick, but i cant quit  
I'm sayin' ou-hoo  
Another day, another night im getting thru-uu  
I just want, i just want  
Somewhere to run  
Somewhere to run  
Somewhere to run  
Somewhere to run (run-run-run)  
Ive been thru hell  
But i'm right in the sun  
Till my feet hit the ground  
I'm breaking out of myself  
So don't hold me back 'cause I finally found  
Somewhere to run, run, run  
Somewhere to run, run, run  
Somewhere to run  
Somewhere to run  
Somewhere to run

Somewhere to run  
Somewhere to run  
Somewhere to run, run, run
