

Joy

Blackstreet

Can't forget the day
That she walked into my life
It was just the kind of thing
That was so right on time
After all the love changes
My heart had locked the door
Then that girl released her magic
And made me love once more, oh
Like the warm rays of the sun
Her sweet love came shining down on me, oh
All at once turned my life around
And with one kiss, she set me free
She's given me joy, joy, joy
That girl, she brings me joy
She's given me joy, joy, joy
That girl, she brings me joy
Goodbye loneliness
And so long to my heartache
Now that joy has taken over
And decided to stay
Her love lifts me up
Like no other love before
With every beat of my heart
I'm hold, holding on, hey
Just look what she's done for me
She's erased all the sadness away, oh
I can never repay the deed
'Cause she keeps loving me more and more
She's given me joy, joy, joy
That girl, she brings me joy
She's given me joy, joy, joy
She brings me joy

She's given me
Check one, check two
Can't hold back, I'm in love with you
Check one, check two
There's nothing in the world that I won't do for you
Check one check two

I can't hold back, I'm in love with you
Check one check two
There's nothing in the world that I won't do for you
That girl she's given me joy, joy, joy
I love the way she loves me
She brings me joy
She's given me joy, joy, joy
A little bit of lovin' darlin'
Said I love it baby
Oh girl, I love the joy she brings me
She brings me joy, she brings me joy
Said I love it when you're loving me baby
Oh girl, you get me where you want me, baby
Yeah, girl you're my joy
Check one check two
I can't hold back, I'm in love with you
Check one check two
There's nothing in the world that I won't do for you
Check one check two
I can't hold back, I'm in love with you
Check one check two
There's nothing in the world that I won't do for you
Girl you're my joy
