Wade In The Water

Brother John Sellers

Wade in the water
Wade in the water children
Wade in the water
Don't you know that
God's gonna trouble the water
Don't you know that
God's gonna trouble the water
I stepped in water and the water is cold
Don't you know that, God's gonna trouble the water
Said, it chilled my body but not my soul
Don't you know that, God's gonna trouble the water
Wade in the water
Wade in the water children
Wade in the water
Don't you know that
God's gonna trouble the water
Don't you know that
God's gonna trouble the water
Well, I went to the water one day to pray
Don't you know that, God's gonna trouble the water
And my soul got happy and I stayed all day
Don't you know that, God's gonna trouble the water
Wade in the water
Wade in the water children
Wade in the water
Don't you know that
God's gonna trouble the water
Don't you know that
God's gonna trouble the water
There is love in the water
(In the water, in the water)
There is joy, yeah, in your water, yeah
(In the water, in the water)
Your peace is in the water
(In the water, in the water)
Your deliverance is in the water yeah
(In the water, in the water)
Oh, step in
Step in joy is in the water, in the water, yeah

(In the water, in the water)
Oh step in, step in, love is in the water
(In the water, in the water)
Oh step in yeah, for deliverance
(In the water, in the water)
Everything in the water, yeah
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
Everything you need
(In the water)
God's gonna trouble the water
God's gonna trouble the water
(Yeah, yeah, yeah, yeah)
God's gonna trouble the water
(Ooh)
God's gonna trouble the water
Oh wade in the water
