

# Gas Chamber

## Spice 1

Check motherfuckin' 1, check 1 2  
Shoot a motherfucker down, what a nigga do?  
Check 1, check motherfuckin' 1 2  
Shoot a motherfucker down, what a nigga do?  
Check motherfuckin' 1, check 1 2  
Shoot a motherfucker down, what a nigga do? Chitty chitty gang bang, niggas wanna slang caine  
But like I said before it's a ghetto thang  
You wouldn't understand this  
'Cause at the tender age of 14 the gat was handed I put in work to get the cash on  
When a nigga stepped up close I got tha blast on  
And motherfuckers in my hood were down for that  
Nigga what I packs, I packs it big phat Motherfuckin' 'ey are 15  
And fry that ass like seasoning  
'Cause in the bay they are no red and no blue guys  
Motherfuckers just drop like shoo flies So when you come on claimed on blue or red  
'Cause these niggas will color your ass dead  
I gotta keep my tech 9 in the bushes  
Made more mail than the rest of the pushers I'm standin' tough like Wrangler  
Niggas don't care if you a crip or a blood  
We are all get the gas chamber Check motherfuckin' 1, check 1 2  
Shoot a motherfucker down, what a nigga do?  
Check 1, check motherfuckin' 1 2  
Shoot a motherfucker down, what a nigga do?  
Check motherfuckin' 1, check 1 2  
Shoot a motherfucker down, what a nigga do? Break mine up became a slang word  
Sellin' dat cooked up caine bird  
Is a key to a motherfuckin' G  
Bustin' caps in the mix back in 1983 So that's old school shit to me  
I wanna live to see 23  
But these niggaz in the ghetto crazy  
A nigga layin' dead in a fuckin' grave And I gots to come sick wid it  
I sold dope and crack and shit but didn't stick wid it  
'Cause the boys in blue they got a new shit  
A helicopter that you can't fuck wid And the funky ass black on white  
Ran blue lights wid that engine sumptin' tight  
But 5 0 can't fuck wid the 5.0  
'Cause I'm a old school nigga at the sat show I whip shit and get the niggaz straight stack on  
Pigs have a coke and smile and get the fuck on  
'Cause I'm the same old nigga

Even though my pockets phat my belly's bigger I'm at the age 22  
17 years old shit I probably gaffled you  
But forget that shit because it's all good  
And Mr. Right ain't got shit on my neighborhood 'Cause we was all young gangstaz livin' on a razor  
Fuck wid us and we sprayed ya  
But in 93 it ain't for you and me  
'Cause we are straight get the gas chamber Check motherfuckin' 1, check 1 2  
Shoot a motherfucker down, what a nigga do?  
Check 1, check motherfuckin' 1 2  
Shoot a motherfucker down, what a nigga do?  
Check motherfuckin' 1, check 1 2  
Shoot a motherfucker down, what a nigga do? On the real douh partna  
This is what a nigga tryin' to say  
When you shoot the next motherfucker  
You goin' to jail regardless of what motherfuckin' color you got on You know Im sayin', you gonna get the gas  
chamber regardless  
So when I do this shit for some cash anyway  
Like my lil patna Bushwick say  
"If shit don't make dollar, it don't make sense"  
187 thousand G
