

Dance With Me (Woodstock Re-record)

Orleans

Dance with me, I want to be your partner
Can't you see the music is just starting?

Night is falling, and I am falling

Dance with meFantasy could never be so giving

I feel free, I hope that you are willing

Pick the beat up, and kick your feet up

Dance with meLet it lift you off the ground

Starry eyes, and love is all around us

I can take you where you want to goDance with me, I want to be your partner
Can't you see the music is just starting?

Night is falling, and I am falling

Dance with meLet it lift you off the ground

Starry eyes, and love is all around us

I can take you if you want to goDance with me, I want to be your partner
Can't you see the music is just starting?

Night is falling, and I am falling

Dance with me
