

Just in Time

Tony Bennett

Just in time, I found you just in time
Before you came, my time was running low
I was lost, the losing dice were tossed
My bridges all were crossed, nowhere to go
Now you're here and now I know just where I'm going
No more doubt or fear, I found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day
Mm, I was lost, the losing dice were tossed
My bridges all were crossed, nowhere to go
Now you're here and now I know just where I'm going
No more doubt or fear, I found my way
For love came just in time
You found me just in time
And changed my lonely life that lovely day
