

# Close But Nowhere Near

## Entombed

where are we going  
well, place your bets  
know all worth knowing  
know nothing yet  
full speed ahead  
quickly, no-one's been  
I don't know who you're racing  
but let me know if you win  
where are we going  
well, place your bets  
know all worth knowing  
know nothing yet  
we don't deal the deck  
close but nowhere near  
only play percentages  
down here  
we don't deal the deck  
close but nowhere near  
only play percentages  
down here  
close but nowhere near  
don't deal the deck down here  
close but nowhere near
