

# Open Your Eyes

## Guano Apes

Hide your face forever  
Dream and search foreverHave you ever been for sale?  
When your isms get smart  
Oh so selfish and mindless  
With that comment in your eyeDo you think that you are hard?  
Really harder than the other  
Man you're acting cold  
If you are not in chargeDon't split your mentality  
Without thinking twice  
Your voice has got no reason  
Now is the time to face your liesOpen your eyes, open your mind  
Proud like a god don't pretend to be blind  
Trapped in yourself, break out instead  
Beat the machine that works in your headWill you offer me some tricks  
If I ever need them  
Would you go into that room  
If I call 'emDo you think that you are better  
Really better than the rest  
You realized there's a problem  
I know that you can give your bestHave you ever had a dream?  
Or is life just a trip?  
A trip without chances  
A chance to grow up quickOpen your eyes, open your mind  
Proud like a god don't pretend to be blind  
Trapped in yourself, break out instead  
Beat the machine that works in your headHide your face forever  
Dream and search forever  
Night and night you feel nothing  
There's no way outside of my landOpen your eyes, open your mind  
Proud like a god don't pretend to be blind  
Trapped in yourself, break out instead  
Beat the machine that works in your headOpen your eyes, open your mind  
Proud like a god don't pretend to be blind  
Trapped in yourself, break out instead  
Beat the machine that works in your head
