Don't Let Up

Akon

(Don't let it get to you, no baby)
Girl I know you're fed up
But things gonna get a lot better
(Don't let it get to you, no baby)
Don't wanna see you give up
Whatever you do don't let up
Girl I know that thing's are hard now
And you're feelin' like that you're all alone
(Fellin' like you're all alone)
Mom and Dad's no longer 'round now
'Cause now you're grown with kids of your own
Baby Dad is nowhere to be found
While you play the role of Mom and Papi
(Raising them all by yourself)
Always home and can't go out now
Can't remember the last time that you were happy
Whatever you do
(Don't let it get to you, no baby)
Girl I know you're fed up
But thing's gonna get a lot better
Gonna get a lot better
(Don't let it get to you, no baby)
Don't wanna see you give up
Whatever you do don't let up
Now, every man that you meet on the streets
You're looking at him like he's an enemy
(Just give us one more chance)
Girl I know that you can't hurt no more
You've been damaged can't trust nobody
(Nobody)
And I know that you can just move on

If you let your past flow with the wind
(And smile more often)
Then you will find that guy that you always wanted
From friend to husband
So girl know that
(Girl know that)
(Don't let it get to you, no baby)

Girl I know you're fed up
But things gonna get a lot better
Gonna get a lot better
(Don't let it get to you, no baby)
Don't wanna see you give up
Whatever you do don't let up
(Don't let up baby)
No matter how bad thing's get
Girl don't let it get to you
I know you're trying to make ends meet
So girl don't let it get to you
You only got one life to live
So don't let it get to you
So go on and make the best of it
Just don't let it get to you
(Don't let it get to you, no baby)
Girl I know you're fed up
But things gonna get a lot better
(Don't let it get to you, no baby)
Don't wanna see you give up
Whatever you do don't let up
Whatever you do, do, do
