Me Against Me

Project 86

I will not forget the day when the sides were chosen
Me against me against me
Clothing so drenched with sweat and the teeth they were clenched
Who can I trust when IGrabbed hold my enemies neck and choked till he ceased
Blistered with disbelief, I awoke dead
And when I awoke, I couldn't believe it was me
All the time it was meSo many times we smile in pride
Putting such faith in what we've accomplished
But minutes ago we were, minutes ago we were
Slitting our wrists, running for sympathyGrabbed hold my enemies neck and choked till he ceased
Blistered with disbelief, I awoke dead
And when I awoke, I couldn't believe it was me
All the time it was meAll the time it was me
All the time it was me
All the time it was meGrabbed hold my enemies neck and choked till he ceased
Blistered with disbelief, I awoke dead
And when I awoke, I couldn't believe it was me
All the time it was meAll the time it was me
All the time it was me
All the time it was me
