

Tick-tits

Gwar

Let's go tick-tits
Well, have you seen her tits?
When they are covered in ticks
It's shit like that
That makes monks shag their wicks
Say, have you seen her ticks
Sucking on her-tits?
Not even dog tits are better than this
Unless of course they are covered in ticks
What could be better than ticks on your tits?
Except for dick-tits all up in the slit
And also, your mother's a whore
The ticks got so big, they won't fit through the door
Have you seen her tits when they're covered in ticks
Let's all go lick them, then pop them with sticks
Tick-tits are growing, they're saggy and grey
And once you fuck tick-tits, you'll never go gay
Tick-tits, tick-tits
Tick-tits, tick-tits
I love, tick-tits, tick-tits
Tick-tits, dick-slit, sick shit, ugh
Have you seen her tits
Underneath all of those ticks?
Baggy and saggy, and filled up with pus
This is your mom, she hangs out with us
Damn it, I love me some ticks
So do the wops and the micks
And if you don't you outta
The Mexicans love a bug tick-tit pi
