Tick-tits

Gwar

Let's go tick-tits Well, have you seen her tits? When they are covered in ticks It's shit like that That makes monks shag their wicks Say, have you seen her ticks Sucking on her-tits? Not even dog tits are better than this Unless of course they are covered in ticks What could be better than ticks on your tits? Except for dick-tits all up in the slit And also, your mother's a whore The ticks got so big, they won't fit through the door Have you seen her tits when they're covered in ticks Let's all go lick them, then pop them with sticks Tick-tits are growing, they're saggy and grey And once you fuck tick-tits, you'll never go gay Tick-tits, tick-tits Tick-tits, tick-tits I love, tick-tits, tick-tits Tick-tits, dick-slit, sick shit, ugh Have you seen her tits Underneath all of those ticks? Baggy and saggy, and filled up with pus This is your mom, she hangs out with us Damn it, I love me some ticks So do the wops and the micks And if you don't you outta The Mexicans love a bug tick-tit pi
