

Ghost of a Chance

Asia

Hold on Tight
Fight it Tooth and Nail
You are Right
You just cannot Fail
Seek to Change
Your Circumstance
While There's a Ghost of a Chance
Ride Your Luck
Opportunity
What you see
That's your Destiny
---- (can't make this line out) ----
Take your Stance
While there's a Ghost of a Chance
Plain as Day
All is Back and White
Stand Your Ground
You can Win the Fight
But Don't Give Up
This true Romance
While there's a Ghost of a Chance
---- (can't make this line out) ----
Face the Enemy
Against the Odds
Seal your Victory
Seize the Day
Raise your Lance
While there's a Ghost of a Chance
